![CDC Foundation — Together our impact is greater]

Working together to save lives: Join us to leverage the power and reach of CDC and the speed and flexibility of the CDC Foundation to achieve so much more than any of us can do alone.
Advance health priorities, protect health and safety

Together our impact is greater: We unleash the power of collaboration between CDC and philanthropies, organizations, corporations and individuals to protect the health, safety and security of America and the world.

Giving for Greatest Need

Give where funding is needed most to help the CDC Foundation address priority health threats in our nation and across the globe.

Safeguarding Americans' Health

Help CDC protect Americans from chronic diseases like heart disease, cancer and stroke, injuries, birth defects, and additional health threats that affect communities.

Fighting Global Threats

Make a difference in global health security by helping to ensure other countries can stop health threats around the world before they reach the United States.

Responding to Emergencies

Your unrestricted gift to the Emergency Response Fund provides CDC with immediate, flexible resources to combat outbreaks, pandemics, disasters and other threats.

Developing Disease Fighters

Join with the CDC Foundation to support important learning experiences that inspire future generations of health leaders to protect us all.

Supporting a Fund or a Cause

Partner with us on a specific priority or named or endowed fund in areas that support critical global and domestic health challenges.

About us: The CDC Foundation is an independent, nonprofit organization and the sole entity created by Congress to mobilize philanthropic resources to support CDC's critical health protection work. Since 1995, we have launched nearly 1,000 programs in more than 100 countries and raised over $700 million through engagements with philanthropies, corporations, organizations, governments and individuals.
