Communities in Context FAQ

1. Is this RFP strictly for the Detroit Area?
   a. Yes, this RFP is strictly for the Detroit area.

2. What are your reasons for selecting Detroit as the potential location?
   a. The Detroit area is the location in which the donor for this project would like to gather data/information.

3. Will there be an opportunity to further discuss the potential site location and perhaps offer an alternative location with diverse demographics?
   a. Currently, there has not been any discussion for an alternative location after this project is completed. Once this project is completed, there may be opportunities to look at other locations.
