

Security Gifting Instructions

National Foundation for the Centers for Disease Control and Prevention

Tax ID #58-2106707

Wiring securities, unlike wiring money, is not instantaneous. Please allow several days for the transaction to take place due to the large amount of transfer requests received at year end.

Please know that the VALUE OF THE GIFT, for tax purposes, is determined by the date upon which the securities are deposited into the CDC Foundation's account.

In order to initiate a transfer, please contact the CDC Foundation office by phone (404) 443-1139 or email herenberg@cdcfoundation.org prior to making a stock transfer.

Please provide the security name and number of shares being transferred, as well as your name, mailing address and telephone number and email address.

All Assets are custodied at the Bank of New York and securities can be sent to the instructions below via OTC/electronic transfer:

Bank of New York

Beneficiary: Pershing, LLC (account #890-051238-5)

OTC #0443
